## Our Climbs

### Summit - 3.5 hours

Absorb 360-degree panoramic views as you journey to the Summit on Sydney's living icon. This Climb ascends the Bridge's upper arch until you hit the top, 134 metres above sparkling Sydney Harbour. After a Summit celebration with your group, you will cross to the Darling Harbour side to make your descent to the Climb Base.

### Summit Express - 2.5 hours

Accelerate your ascent to the top on the Summit Express Climb. This Climb journeys along the lower arch of the Bridge, where your group will marvel at the engineering masterpiece that is the Sydney Harbour Bridge. Making your way through the inside of the Bridge you will burst through to the Summit from below for spectacular views across Sydney.

## Times of day

Every day on the Bridge is unique, with each Climb a completely different adventure.

Choose to Climb at **Day** to soak in the spectacular views of Sydney and out as far as the Blue Mountains as your group journeys to the Summit.

## Group Bookings FAQs

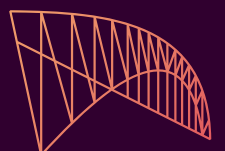

**Do you offer special group rates?** We certainly do - if you're a group of ten Climbers or more, contact our team to receive a quote based on when you would like to Climb.

**Do you require a deposit / payment at the time of booking?** For a booking of up to 14 people, BridgeClimb requires payment in full at the time the reservation is made. For a booking with 15 Climbers or more, we require a 50% non-refundable deposit at the time of booking. In this case, a confirmation of the final numbers and the remaining balance must be paid at least 2 weeks prior to the Climb date.

**What types of payment do you accept?** We accept Visa, American Express, Mastercard and payments by EFT. If you choose to pay with a credit card, we do not charge credit card fees.

**I'm counting my daily steps, can I wear my FitBit on the climb?** Great question - no activity trackers can be worn due to safety (nothing can go on the bridge that could potentially come off), however you can store them in the free secure lockers. Its 1,332 steps on the Summit Climb, and 1,002 on the Summit Express for those who need to know!

BRIDGECLIMB  
SYDNEY

### **Is it okay for me to take my mobile with me?**

No loose objects can be carried by Climbers on the Bridge, including cameras, phones or GoPros. You are welcome to bring any personal items with you on the day of your Climb and store them in the secure lockers we provide. Our Climb Leaders who are trained in basic photography will capture photos of you during your Climb.

### **Can we take away digital photos so that we can share on social media?**

Of course! As part of a group booking, you can purchase a special photo package which includes a USB with all the photos from your Climb, so that everyone can share their insta-worthy shots with friends and family!

### **We would love to have our company branding on the top of the bridge, such as a banner, is this possible?**

We understand that it's important for some groups to have their logo and branding as part of the experience. You will be pleased to know that we have a few ways to make this happen...we can add your logo to our welcome screens at our reception desk, and on the printed photos and certificates. There are restrictions in regards to branding on the bridge, so it's best to chat to us about what is possible.

### **We are celebrating a special occasion, can we cheers with a glass of bubbles at the top?**

We love a cheers to mark a special moment, however sadly this isn't possible. Instead, we can arrange a champagne reception with canapes in our event space after your Climb. Alternatively, our Climb Then Dine package includes a two-hour food and beverage package at one of our partner venues post climb - which is a very popular choice for many groups!

### **Our group will be coming straight from work and will all have laptops, can we store them safely and securely?**

Yes! Everyone will get access to a free secure locker which is large enough for a laptop. If your group will have luggage with them, please let us know in advance and we can arrange for this to be safely stored whilst you climb.

### **Do you have any event space?**

We have an event space which can be hired for groups before or after your climb for up to 100 people in a cocktail style layout. This is perfect for corporate presentations, group gatherings, award ceremonies and launch events with various catering packages available.

**Can you drink alcohol before climbing?** Safety is, and always will be, our number one priority for all of our Climbers. Please note that you must have a blood-alcohol reading below 0.05 to climb (the same as if you are driving). All Climbers are breathalysed prior to going on the Bridge so please make sure that everyone in the group knows this prior to avoid disappointment. If anyone is over this limit, they will not be able to climb.

### **What's the minimum and maximum numbers for a group?**

There is no minimum or maximum (the largest group on record is 6,500 over four days!). If you have VIPs and would prefer a private climb, you can book this for a minimum of ten climbers. Each of our Climb groups can accommodate up to 14 Climbers, so if you have a group with more than 14 people we would accommodate them over consecutive Climbs, departing and returning ten minutes apart.

### **We have a couple of people with a fear of heights, how can BridgeClimb help?**

We've been doing this for 21 years and have put together the ultimate Face Your Fear toolkit, which you can access on our website:

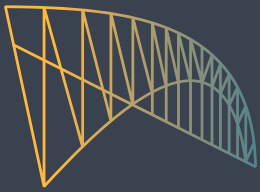

[www.bridgeclimb.com/plan-your-visit/face-your-fear](http://www.bridgeclimb.com/plan-your-visit/face-your-fear)

We're here to support you, before, during, and after your BridgeClimb. We will answer questions, demonstrate just how safe BridgeClimb is and keep your mind engaged and your eyes on the prize. If any of your group members decide it's not for them, we are conveniently located in a great spot in The Rocks where they can explore one of Sydney's most popular areas by foot.

**What happens when it rains?** BridgeClimb is an all-weather experience. We will equip you with all the gear you need to keep you dry, but remember to bring your own shoes, which must be enclosed, with a rubber sole. In case of extreme weather conditions like electrical storms or during times of extremely high wind, Climbs may be postponed.

**What's included?** Every ticket to the top includes a Climb group photograph, a BridgeClimb cap, a certificate of achievement, and free entry to The Pylon Lookout (usually \$19 per person).
